

ENJOY THE SILENCE – Depeche Mode et MOON RIVER

Paroles et Accords v2

Solo Words like violence, Break the silence
Come crashing in, Into my little world
Painful to me, Pierce right through me
Can't you understand?, Oh, my little girl

Duo All I ever wanted, All I ever needed
Is here in my arms
Words are very unnecessary, They can only do harm

Instr.

Solo Vows are spoken, To be broken
Feelings are intense, Words are trivial
Pleasures remain, So does the pain
Words are meaningless, And forgettable

Duo All I ever wanted, All I ever needed
Is here in my arms
Words are very unnecessary, They can only do harm

Instrumental (Passage à Moon River)
Moon river, wider than a mile
I'm crossing you in style some day
Oh, dream maker, you heart breaker
Wherever you're goin', I'm goin' your way

Two drifters, off to see the world
There's such a lot of world to see
We're after the same rainbow's end
Waitin' 'round the bend

My huckleberry friend
Moon river and me
